

Our Ref: ATE/LNE

16th September 2015

Dear Parent/Carer

On Saturday 3rd October 2015 we are holding our annual sponsored walk from Seaburn to South Shields. This year we are once again going to try and raise money for Cancer Research UK which I hope you agree is a worthwhile cause. Parents/Carers as well as the pupils are welcome to join us for this momentous occasion in our school calendar! Yes **Thornhill School** has been raising funds at this event for over thirty five years and we hope this year we will raise even more!!

The walk will start on the promenade opposite Morrison's food store at 10.00am prompt and we should arrive outside the fairground at South Shields at approximately 1.30pm. There will be various stopping points on the walk, including Souter lighthouse, where we will have a picnic lunch. Please ensure children have the necessary food provisions with them as there are no places available to purchase any.

At the conclusion of the walk pupils are free to return home. Please note that the walk ends outside the fair and there will be no staff supervision in the fairground.

Various public transport routes are available for pupils to get to and from the event.

The pupils will need money for bus fare and fairground attractions if they so wish. They also require a packed lunch and suitable clothing and footwear for walking.

Thank you once again for your support in this venture.

Miss A Tench
Head of Johnson House
