

History:

Year 11

The current Year 11 are studying the OCR schools History project GCSE.

www.ocr.org.uk - GCSE History Schools History Project - A (2013+)

Some useful websites:

- <http://www.bbc.co.uk/schools/gcsebitesize/history/>
- <http://spartacus-educational.com/> - This is a good site for those students targeted an A/A* Grade, for looking at primary sources and more in depth knowledge.
- <http://www.revisegcsehistory.co.uk/> (good for the medicine paper)

APPS: Hodder Educational have a sponsored app - GCSE Schools History Project (Revise Better) priced at £2.99.

Year 9 & 10

Years 9 and 10 are studying the Edexcel 9-1 History qualification

<https://qualifications.pearson.com> - History 9-1

Students can use the above websites for revision, but as of yet the BBC have not tailored their revision site to the new GCSE.

The revision guide I would recommend for the Year 9-10 students would be the GCSE Edexcel History for the Grade 9-1 course (ISBN 978 1 78294 605 2).
